CAPABILITIES

X-Air Flight Support LLC offers complete scheduled or un-scheduled service, modifications, pre-purchase inspections, and certifications on:

- Citation Aircraft
- Piper Cheyenne
- Beechcraft King Air
- Gulfstream Commander Jetprop

Our team of experienced airframe technicians have decades of experience. We are willing to travel for remote servicing when our customers find themselves in AOG situations and are equipped to provide full scale inspections at your facility when requested.

With FAA/DAR authorizations, please call us for special flight permits, Certificates of Airworthiness, and/or Export Certificate of Airworthiness.

Additionally, 100 hour and/or Annual inspection on single and light twin piston aircraft are also provided.
